Lee C. Patton, Esq.
Shareholder, since 1986

“Sullivan Ward Asher & Patton, PC has been in existence for almost 60 years.

We do a wide variety of types of legal work; however, our success is based the high level of service that we provide to our clients.”

“We have worked with a number of insurance agencies over the years; however, we believe that Professional Concepts Insurance Agency (PCIA) provides a level of service to us that we have not received from other agencies. PCIA’s agents, particularly Kim Fricke and Robert Vozza, are very capable and bring an extraordinary knowledge of the insurance market. In addition, PCIA is well-informed about law firm insurance coverage issues in particular and professional service firms in general.”

“PCIA is able to present our firm with a number of insurance options, enabling us to make better decisions.”
