Professional Concepts Insurance Agency (PCIA) Names 2017 Architectural Scholarship Winner

BRIGHTON, Michigan – Professional Concepts Insurance Agency (PCIA), a privately-owned insurance agency focused on serving the needs of professional service organizations, is pleased to award Leonardo Orozco with the 2017 PCIA Architectural Scholarship. This annual scholarship is made possible in conjunction with the Michigan Architectural Foundation Scholarship Program and awards a \$1,000 scholarship to a deserving architectural student who has demonstrated exceptional abilities in an architectural program at the graduate level and has proven community leadership.

Orozco earned his bachelor degree in Principles of Art and Design from Kendall College in Grand Rapids, MI and graduated with a GPA of 4.0. He is currently a graduate student at the University of Detroit Mercy in Detroit, MI and expects to receive a Masters of Architecture degree in May of 2018. Orozco completed an architectural internship at Swanson Design Studio in Lansing, MI and is currently a woodshop supervisor and lab technician at the University of Detroit Mercy. Along with his dedication to education, he is also passionate about the community. He serves as vice president of the Hispanic-American Student Association, co-president at Titans for Life, fundraising chair at AIAS, and is a student volunteer for Campus Ministry. His service also includes blight clean-up at Martin Park, volunteer at All Hands, Gamma 5k volunteer, volunteer at the Oscar Romero Home in Milwaukee and Misericordia in Chicago.

“We’re extremely proud of Leonardo for all he has done for the community and for achieving educational success. We feel honored to award our scholarship to him this year,” said Mike Cosgrove, president of PCIA. “Our firm supports many architectural businesses and we created this scholarship to help students further their education and reach their dreams in this creative and enriching career.”

About Michigan Architectural Foundation

Michigan Architectural Foundation is dedicated to the promotion, perpetuation and preservation of architecture as a fine art. By serving as a visible resource for funding, information and educational programs, we increase the public’s appreciation for architecture, which encourages cohesive, sustainable communities, increasing economic value, enriching experiences and adding beauty.
